RES - In Progress	Anticipated completion date: 30 April 2025 Comments: Public Exhibition of the Draft Contribution Scheme commenced on 17 March 2025.
			That Council: Report the results of the public exhibition to Council by mid-2024 with a recommendation on whether to endorse the Draft Scheme to apply in the Hawkesbury Local Government Area.	RES - In Progress	Anticipated completion date: 30 April 2025 Comments: Public Exhibition of the Draft Contribution Scheme commenced on 17 March 2025.
			That: Council approve the transfer of the road reserve being part of Irrigator Drive, North Richmond, which comprises an area of 23.07m ² , as shown in Attachment 1 to the report, to Alvin Jesse Giongco Baylon and Lara Mae Baylon as owners of No. 42 Irrigator Drive, North Richmond, in exchange for the re-aligned road reserve as shown in Attachment 3 to the report.	RES - In Progress	Anticipated completion date: May 2025 Comments: Registration of the road closure Gazettal Notice occurred on 6 February 2025. Ownership of the adjoining property has changed since the matter was reported to Council. staff are obtaining consent from the new owners before the title of the road closure area can occur. The matter will be reported back to Council for consideration of the transfer to the new adjoining owner.

Council Report - Outstanding Council Resolutions 31/01/2018 - 13/08/2024

12/03/2024	RES042/24	ROC - Heritage Committee - 1 February 2024 - (80242)	That in relation to the Minutes of the Heritage Committee Meeting held on the 1 February 2024, Council endorses the Committee Recommendations in respect of 3.1.1, namely 3. Note that additional information will be provided to the Heritage Committee for Windsor Stage 1a and Stage 2 of the project as they are progressed. The Heritage Committee requires information about the excavation depth, noting that any excavation or tree removal below the existing disturbance level for Stages 1, 1a, and 2 should be monitored by Dharug people (person) and/or a Registered Aboriginal Party with connections to the Sydney Basin, in addition to the Section 140 Excavation Permit requirements. The Heritage Committee receive a report of the results of the test excavations for Aboriginal and European artefacts for the Stages 1a and 2 sites, and information about the provisions to be made for keeping any artefact.	RES - In Progress	Anticipated completion date: June 2025 Comments: In Progress - Stage 1a and 2 scope not finalised. Report to Council in August 2024 to confirm final concept designs. Concept designs also circulated to Heritage Committee for feedback. It is unlikely that any excavation will be completed below the existing disturbance level based on current works in Stage 1, and concepts for Stage 1a and 2.
			That in relation to the Minutes of the Heritage Committee Meeting held on the 1 February 2024, Council endorses the Committee Recommendations in respect of 3.1.1, namely note that the project site is an important area for Dharug people and First Contact and further discussions will be required with the Heritage Committee to deal with Aboriginal and post settlement matters. To address this, the Director City Planning will coordinate future consultation as required on Dharug heritage and the Windsor stages of the Liveability Project.	RES - In Progress	Anticipated completion date: June 2025 Comments: Engagement with Dharug representatives to be scheduled as planning for additional stages progresses.
09/04/2024	RES057/24	CS - Proposed Road Closure Part of Contour Way, North Richmond - (95496, 159585)	That at the expiration of the public exhibition period outlined in Part 1, the following action be taken:a) Should any submissions be received regarding the proposed road closure a further report be submitted to Council, orb) Should no submissions be received:i) Council approve the road closure as shown in Attachment 1 to this report, being part of Contour Way, North Richmond.ii) Authority be given for the Road Closure Plan, and any documentation in association with the matter to be executed under the Seal of Council.	RES - In Progress	Anticipated completion date: July 2025 Comments: The Applicant is continuing discussions with Endeavour Energy in regards to the relocation of a light pole that was proposed in the road closure area. Once this issue is resolved the matter can proceed to plan registration.
14/05/2024	RES067/24	MM – Transparency and Accountability in the Hawkesbury	That Council, subject to the advice, Council consider amending its Code of Conduct to accord with this advice.	RES - In Progress	Anticipated completion date: 30 September 2025 Comments: General Counsel sought external legal advice regarding this matter. Council's Code of Conduct will be reported to Council later in 2025.
14/05/2024	RES072/24	CP - Place Plans - (95498)	That Council defer the Place Plans to a Councillor Workshop.	RES - In Progress	Anticipated completion date: June 2025 Comments: Officers currently reviewing pre and post exhibition versions of document against community feedback.

RES - In Progress	Anticipated completion date: 30 June 2025 Comments: Working group has commenced internal meetings and dialog with the Hawkesbury Sports Council regarding the Service Level Agreement

Council Report - Outstanding Council Resolutions 31/01/2018 - 13/08/2024

28/05/2024	RES090/24	CP - Hawkesbury Floodplain Drainage Review - (95498)	That Council note that a further report will be provided to Council that will include the projected costs and process for undertaking maintenance works on the drainage systems, including options for progressing works on the drainage systems that run through both private and public land.	RES - In Progress	Anticipated completion date: June 2025 Comments: Anticipated a report will be presented to Council in June 2025.
			That Council concurrently approach the University of Western Sydney and Hawkesbury River County Council regarding how the drainage works effect the health of the wetlands.	RES - In Progress	Anticipated completion date: June 2025 Comments: Anticipated a report will be presented to Council in June 2025.
11/06/2024	RES118/24	IS - Divestment of Windsor Sewerage Scheme - (95495)	That Council receive a further report on the result of negotiations, with a view to considering a final decision on divestment of the Windsor Sewerage Scheme.	RES - In Progress	Anticipated completion date: 30/6/2025 Comments: Anticipated a report will be presented to Council in June 2025 following negotiations.
09/07/2024	RES131/24	ROC - Heritage Committee - 2 May 2024 - (80242)	That in relation to the Minutes of the Heritage Committee Meeting held on the 2 May 2024: 5. Council note and investigate the Committee Recommendations in respect of Item General Business B - Tebbutts Barn, namely:That Council: 1. Has a moral obligation and community response to conserve the building known as Tebbutts Barn and that the current method of storage of historic fabric is leading to further deterioration and there should be emergency conservation works undertaken including the reinstatement of fabric from the structure to its original state. 2. Utilise this as a test case/workshop for the best practice in conserving slab barns.	RES - In Progress	Anticipated completion date: June 2025 Comments: Committee recommendations are being investigated in respect to Tebbutt's Barn, and reported to the Heritage Committee in 2025.
			That in relation to the Minutes of the Heritage Committee Meeting held on the 2 May 2024: 6. Council note and investigate the Committee Recommendations in respect of Item General Business C - Robertson's House Windsor – 394 George Street, Windsor, namely:Council to consider recommending the building for listing on the State Heritage Register, recognising the quality of the sandstone carving and aesthetic significance, including related heritage works of stonemasons O'Kelly and Robertson in the local cemeteries, state listed site in Manly and the importance of the masonry.	RES - In Progress	Anticipated completion date: June 2025 Comments: Property at 394 George Street Windsor being investigated in terms of potential State heritage listing.
			That in relation to the Minutes of the Heritage Committee Meeting held on the 2 May 2024: 7. Council endorse the Committee Recommendation in respect of Item General Business D - Windsor Bridge Artefacts Working Group, namely:The term of the Windsor Bridge Artefacts Working Group be extended until the end of the Council term.	RES - In Progress	Anticipated completion date: June 2025 Comments: The Windsor Bridge Artefacts Working Group has continued to meet. Various minutes and recommendations of the Working Group were reported to the Heritage Committee at its meeting on 1 August 2024. It has been recommended that the Working Group continue to provide advice in 2025.

Council Report - Outstanding Council Resolutions 31/01/2018 - 13/08/2024

			That in relation to the Minutes of the Heritage Committee Meeting held on the 2 May 2024: 8. Council note and investigate the Committee Recommendations in respect of Item General Business E - Damage to the Kerb and Gutter on Tebbutt Street, namely:That Council: 1. Note that the kerb and the gutter are made of sandstone and the committee request that this be reinstated. 2. Put in place policies and procedures for the protection of sandstone kerb and guttering within the Hawkesbury Local Government Area to identify, guide and protect maintenance and repairs.	RES - In Progress	Anticipated completion date: June 2025 Comments: Committee recommendations to be referred to Property and Assets section following receipt of advice from Council's Heritage Advisor.
23/07/2024	RES147/24	NM1 - Electric Vehicle Charging	That The Mayor writes to the Minister requesting a meeting to highlight the importance of this issue and to press for the inclusion of the Hawkesbury Local Government Area in future funding rounds of the Electric Vehicle (EV) Destination Charging grants program.	RES - In Progress	Anticipated completion date: 30 June 2025. Comments: Further correspondence being drafted to be forwarded from the Mayor based on the Council resolution.
13/08/2024	RES166/24	ROC - Heritage Committee - 1 August 2024 - (80242)	That in relation to the Minutes of the Heritage Committee Meeting held on the 1 August 2024 Council note that the Committee Recommendations in respect of Item 3.1.1 will require further investigation prior to being considered by Council.	RES - In Progress	Anticipated completion date: June 2025 Comments: The Windsor Bridge Artifacts Working Group has continued to meet, with recommendations reported to Council's Heritage Committee on 1 August 2024. Further meetings of the Working Group will take place in 2025 to finalise recommendations.
			That in relation to the Minutes of the Heritage Committee Meeting held on the 1 August 2024 Council endorse the Committee Recommendations in respect of Item 3.1.2, namely:"That the Heritage Committee: 1. Note the status of the current development application for the demolition of "Allambie" cottages at Kurrajong Heights. 2. Congratulate the Kurrajong Heights and Kurrajong communities and Council in the campaign to save "Allambie" Cottages."	RES - In Progress	Anticipated completion date: 30 June 2025 Comments: Development Application matter yet to be decided by the Minister for Planning.
			That in relation to the Minutes of the Heritage Committee Meeting held on the 1 August 2024 Council note the Committee Recommendations in respect of Item 3.1.4 will require further investigation prior to being considered by Council.	RES - In Progress	Anticipated completion date: 30 June 2025 Comments: Request for additional staffing resources as per the Heritage Committee recommendation included in draft 2025/2026 budget considerations.
