CHOICE

What is Choice?

Choice is the leading consumer advocacy group in Australia. They are a not-for-profit organisation that provides a number of services for consumers, including testing and reviewing products to help you find the get the best value for money. Choice also supports Australian consumers by running campaigns aimed to stop unfair and unsafe sales practices. If you're looking for advice on which item may be best for you or want to know your rights as a consumer, Choice is here to help

What can I use it for?

Use Choice to get fair and impartial reviews on a range of products, from baby car seats to coffee machines. It's also an excellent source of information for consumer law and legislation and provides easy-to-understand advice on things such as refunds and replacements. To get started, go to the following web address and click on 'Choice' (a staff member will need to enter the password for subscriber-only content):
