## What is Storybox?

Storybox Library gets kids excited about reading, inspires their imaginations and lets them have fun with stories! Reading improves language and literacy skills and children will love hearing their favourite books read by their favourite Aussie icons, including Noni Hazelhurst, Kate Richie and Cal Wilson.

## What can I use it for?

Kids can explore their love of books through a huge range of popular children's books read by a diverse cast of everyday storytellers - musicians, grandparents, comedians and actors - and beautifully animated to keep children engaged. To get started, download the Storybox app to your device. To read books from your web browser, go to the following web address, click on 'Storybox' and enter your library card details for free access:
