What is Find My Past?

Find My Past is one of the largest online family history resources and is only available by subscription to libraries. It has an unprecedented online collection of material from the UK, Europe, Australia and more. Collections include records such as census date, vital parish records, directories, photos, immigration records, family histories, military records, court and legal documents, maps and so much more. Ancestors can be traced as far back as the 1700s.

What can I use it for?

Use Find My Past to track down your family history without having to spend hours hunched over your desk with physical copies. You can search millions of family trees and records in seconds with just a few strokes of your keyboard!
