What is BorrowBox?

BorrowBox is an easy to use platform that allows you to select and download ebooks and eAudiobooks to your computer or any mobile device. Powered by Bolinda Digital, BorrowBox has a wide selection of titles. Included are latest releases, best sellers and lots of Australian and New Zealand titles.

What can I use it for?

BorrowBox can be used for reading and listening to a large range of eBooks and eAudiobooks right from your device. All you need is the BorrowBox app (available for Apple, Android and Windows devices) and your Hawkesbury library card. To get started, download the app and enter your library card details for free access. To read books from your internet browser, go to the following web address:

<https://www.hawkesbury.nsw.gov.au/library/elibrary/ebooks-and-audiobooks>

Special features

- Adjust text to your reading preferences, audio speed and control with voice over features.
- The Borrowbox app synchronises your reading/listening progress automatically without a touch. Simply put down one device, pick up another and continue where you left off
- Download books while on Wi-Fi to read later offline
- Automatic returns mean no more overdue items
